### **BOOK REVIEWS**

*The Honorable Elijah Muhammad: The Man Behind the Men is a wonderful resource that illuminates a critical period in the history of Islam in America. The author presents important and unusual insights into the origins and evolution of the Nation of Islam. — DR. INGRID MATTSON, President -- Islamic Society of N. America*

*A "must read" for any student of Islam who wants to know more about these icons and for the skeptics, who believe that there is nothing to be learned from Muslims. — JUDGE DAVID SHAHEED, Marion Superior Court, Indpls, Indiana*

*Imam Michael Saahir has written a highly significant study of the great influence that the Honorable Elijah Muhammad has had in the lives of four African American Muslim leaders: Minister Malcolm X, Muhammad Ali, Minister Louis Farrakhan, and Imam Warith Deen Mohammed. I recommend highly Imam Saahir's important reassessment, The Honorable Elijah Muhammad: The Man Behind the Men.*
